To whom it may concern,

My name is Jeff Nichols and I want to continue my education of pistachios by becoming an ACP member. I grew up in Visalia, CA and currently work for Nichols Farms in Hanford, CA. I went to college at Colorado State and worked in the Blueberry and Grape industry for 5 years after college.

Since starting at Nichols farms I have completed the APG lead on program, Farm Credit West Young Farmer and Rancher banking seminar, and was a member of the first ever INC Academia Class. Although I may lack years of experience, I will make up for it with hard work and dedication. I am ambitious and goal driven and I can be an asset to ACP.

If you have any questions please feel free to reach out to me.

Best regards,

Jeff Nichols
