

My name is Brian Hauss and the company I work for currently manages 3,880 acres of pistachios in District I – primarily within Kern and Tulare counties. I began working with pistachios in 1995, overseeing properties in Madera County and Kern County. During the late 1990s, and from 2011 to present, I have accumulated over 15 years of direct experience with producing and marketing pistachios. Overseeing thousands of acres of pistachios in my career, I have also worked with several different pistachio processors to market millions of pounds of pistachios. It would be an honor to join the ACP and I will do my best to represent the committee in a fair and balanced fashion. I currently reside in Clovis, California with my wife Jennifer, and sons Graham and Andrew.
