

Joel Perkins has served as the Chief Executive Officer of Horizon Nut Company since 2017. Joel has over 17 years of experience in the nut industry, including many years as the Chief Executive Officer of Harris Woolf Almonds. Having served on many boards, including the Almond Board of California, the Peanut Tree Nut Processors Association (PTNPA), and the Ag One Foundation of California State University Fresno, Joel has the experience and knowledge required for industry leadership. A graduate of California State University Fresno, Joel worked as a certified public accountant (CPA) in Fresno for the first nine years of his career. He is married to his wife Katie, and they are very busy raising their four children in Kingsburg, California.
